New perspectives on timeless design

Dora is rooted in the Turkish design tradition characterized by enduring aesthetics, functionality, craftsmanship and an honest expression. By expanding this heritage with forward-looking materials, techniques and bold creative thinking, our ambition is to deliver new perspectives on Turkish design. We handpick leading contemporary designers who are strong interpreters of our philosophy and combine their talents with the passionate Dora creative team. You will know our design because it has muutos: objects made sublime through new perspectives, enjoyed across the world, representing the best of Turkish design today.
